**Summary of Applicant Initiated Examiner Interview**

Per 37 CFR § 133(b), the following is a brief summary of the Examiner interview conducted March 9, 2009 via telephone between Examiner Shang and Steven M. Freeland, Attorney of Record.

No exhibits were shown and no demonstrations were conducted. Claims 1, 11, 18-19 and 21 were discussed relative to U.S. Patent No. 6,141,003 (Chor et al.) in view of U.S. Patent No. 6,336,053 (Beatty).

Potential amendments were discussed. Examiner Shang recommended amendments relative to FIG. 3B, and further recommended amendments similar to claim 21.

Examiner Shang further stated that Chor and Beatty did not describe replacing an add icon within the menu with a delete icon, and but instead suggested that such a replacement was obvious.

No agreement was reached. Examiner Shang requested that a response in writing be submitted.
